Foreword

We, the Quill Staff, wish to present the 1971 Quill Yearbook.

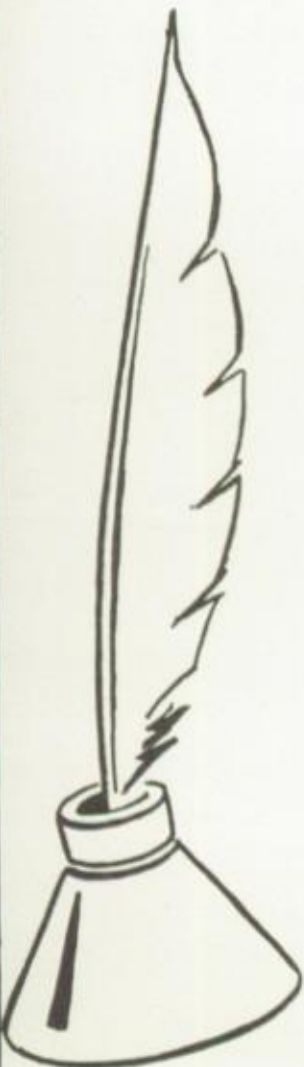

During the ten months of the school year, there are activities, events, and friends worthy of our remembrance. We have had the opportunity to preserve a few of these memories.

THE SCROLL

"Memory is when you look back and the answers float in to Who? What? When? Where?"

*The members who were there then
Are repeated on a screen
Are recalled on a scroll
Are moved in a miniature drama
Are collected and recalled
For actions, speeches, silence
Set forth by images of the mind
And made in a mingling mist
To do again and to do over
Precisely what they did do once
This is memory
Sometimes slurred and blurred
This is remembering
Sometimes wrecking the images
And proceeding again to reconstruct
What happened and how
The many little involved answers
To Who? What? When? Where?
And more involved than any
how? How?"*

Dedication

MR. ANTHONY TOPORAS

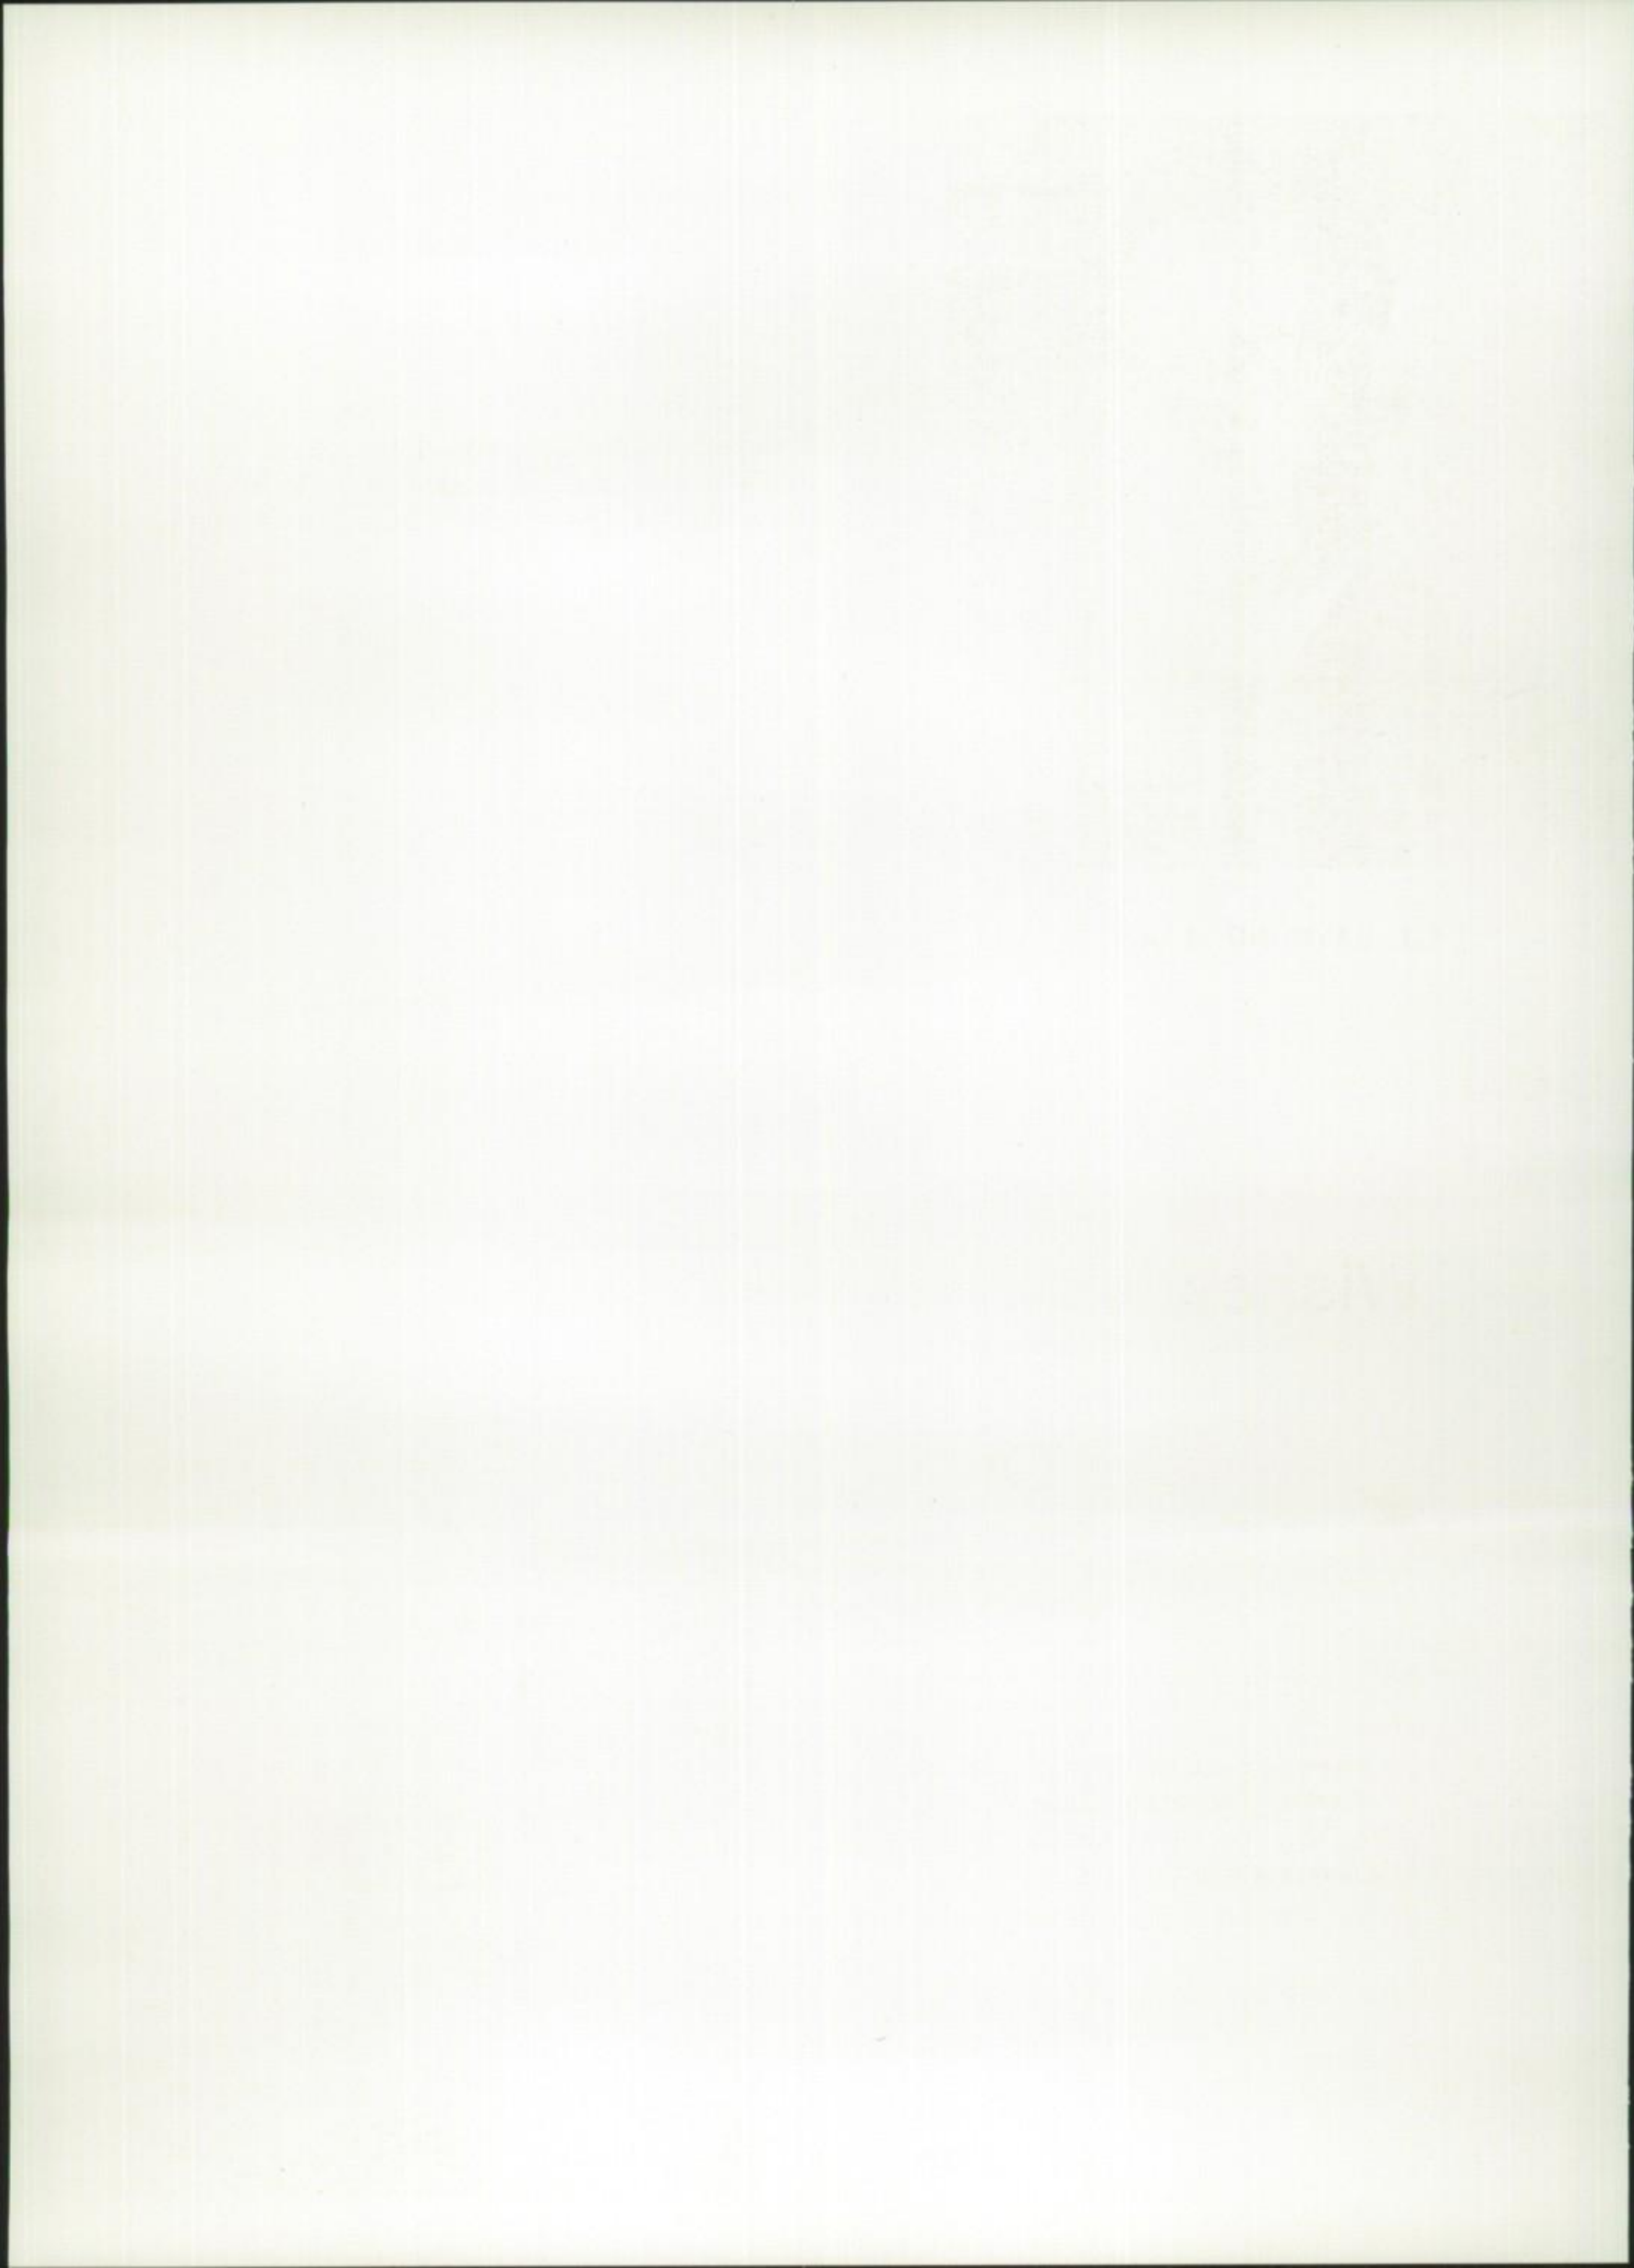

To desire to be a teacher—to reach for and grasp one's goal to direct students, is one of man's greatest accomplishments. To excell in one's chosen field to the pinnacle of success deserves outstanding commendation.

We, at Richburg are fortunate in having one of these types of teachers. He is our High School Mathematics teacher, Mr. Anthony Toporas.

Known as "Mt. T." (for two years no one could pronounce Toporas), he has devoted much time and effort in helping his students prepare for college—and without losing his fabulous sense of humor.

It is a rare day that we do not hear Mr. T's whistling or his famous "Scooby-Dooby Doo." His smile is for everyone and everyone reciprocates.

Mr. Toporas is a valuable asset to Richburg Central. So, to you, Mr. Toporas, the 1971 Quill Staff proudly dedicates this yearbook.

MR. RAYMOND STARR

We would like to take this opportunity to recognize Mr. Starr's years of service. He served July 1, 1951, until April 1, 1970, as our Board of Education Clerk. The Yearbook Staff would like to pay special tribute to Mr. Starr for his devoted service to our school.

Dear 1971 Graduate:

Many, many years will pass and many, many "happenings" will occur in your pursuit of vocational happiness. The teachers and staff members of Richburg Central School wish each of you every success in the future.

I wonder, as you read this ten or twenty years from now, if your outlook on life will be as it is now. I sincerely hope each of you will endeavor to improve yourself.

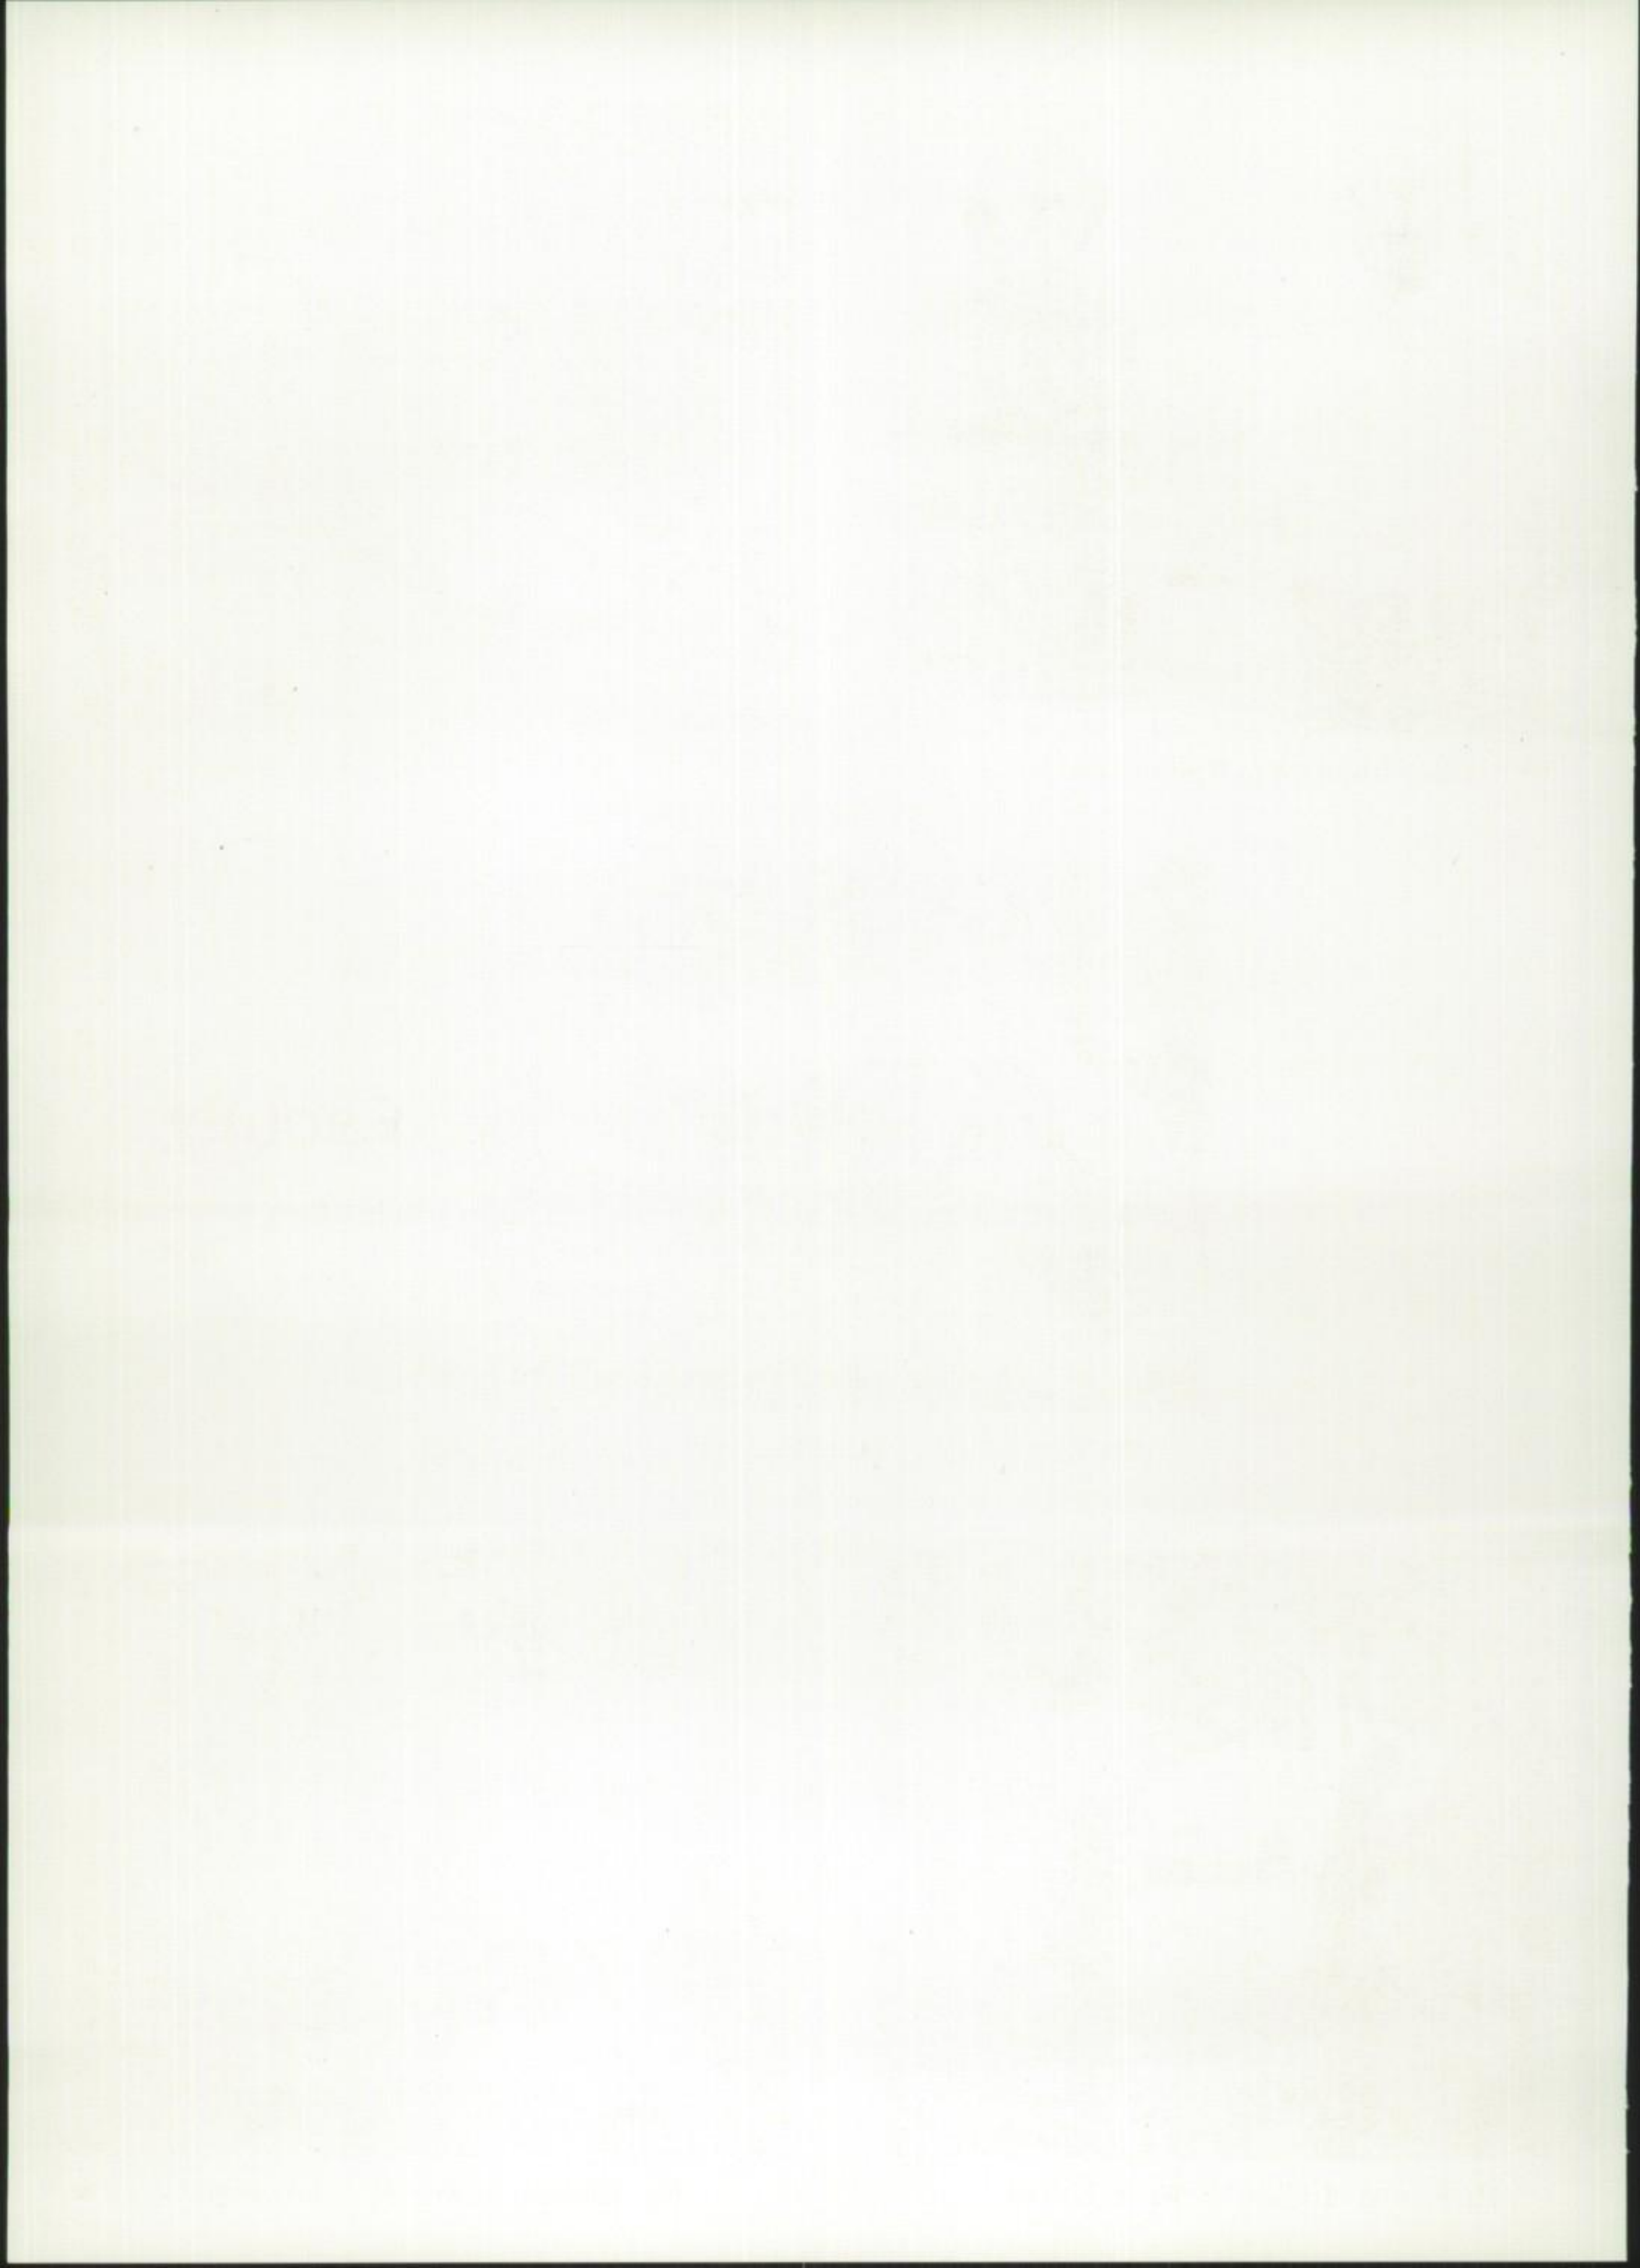

If the world is ever to improve, the responsibility is yours. The school has done its very best to give you a start in life. It is up to you to improve on this beginning or fail. I hope each of you will take pride in your heritage, and through this I know there will be hope for the future.

I hope the Lord will look upon each and everyone of you and that He will be with you as each goal is achieved.

Sincerely yours,

Bruce T. Forness

SENIORS

Thank You

Mrs. Lynch and Mr. Welch.

We, the class of 1971, would like to extend our sincere thanks to our class advisors, Mrs. Lynch and Mr. Welch.

Mrs. Lynch has devoted much time and effort to guide us through our final two years of high school. Although this was Mr. Welch's first year at Richburg Central, he was more than willing to assist the class in its varied activities.

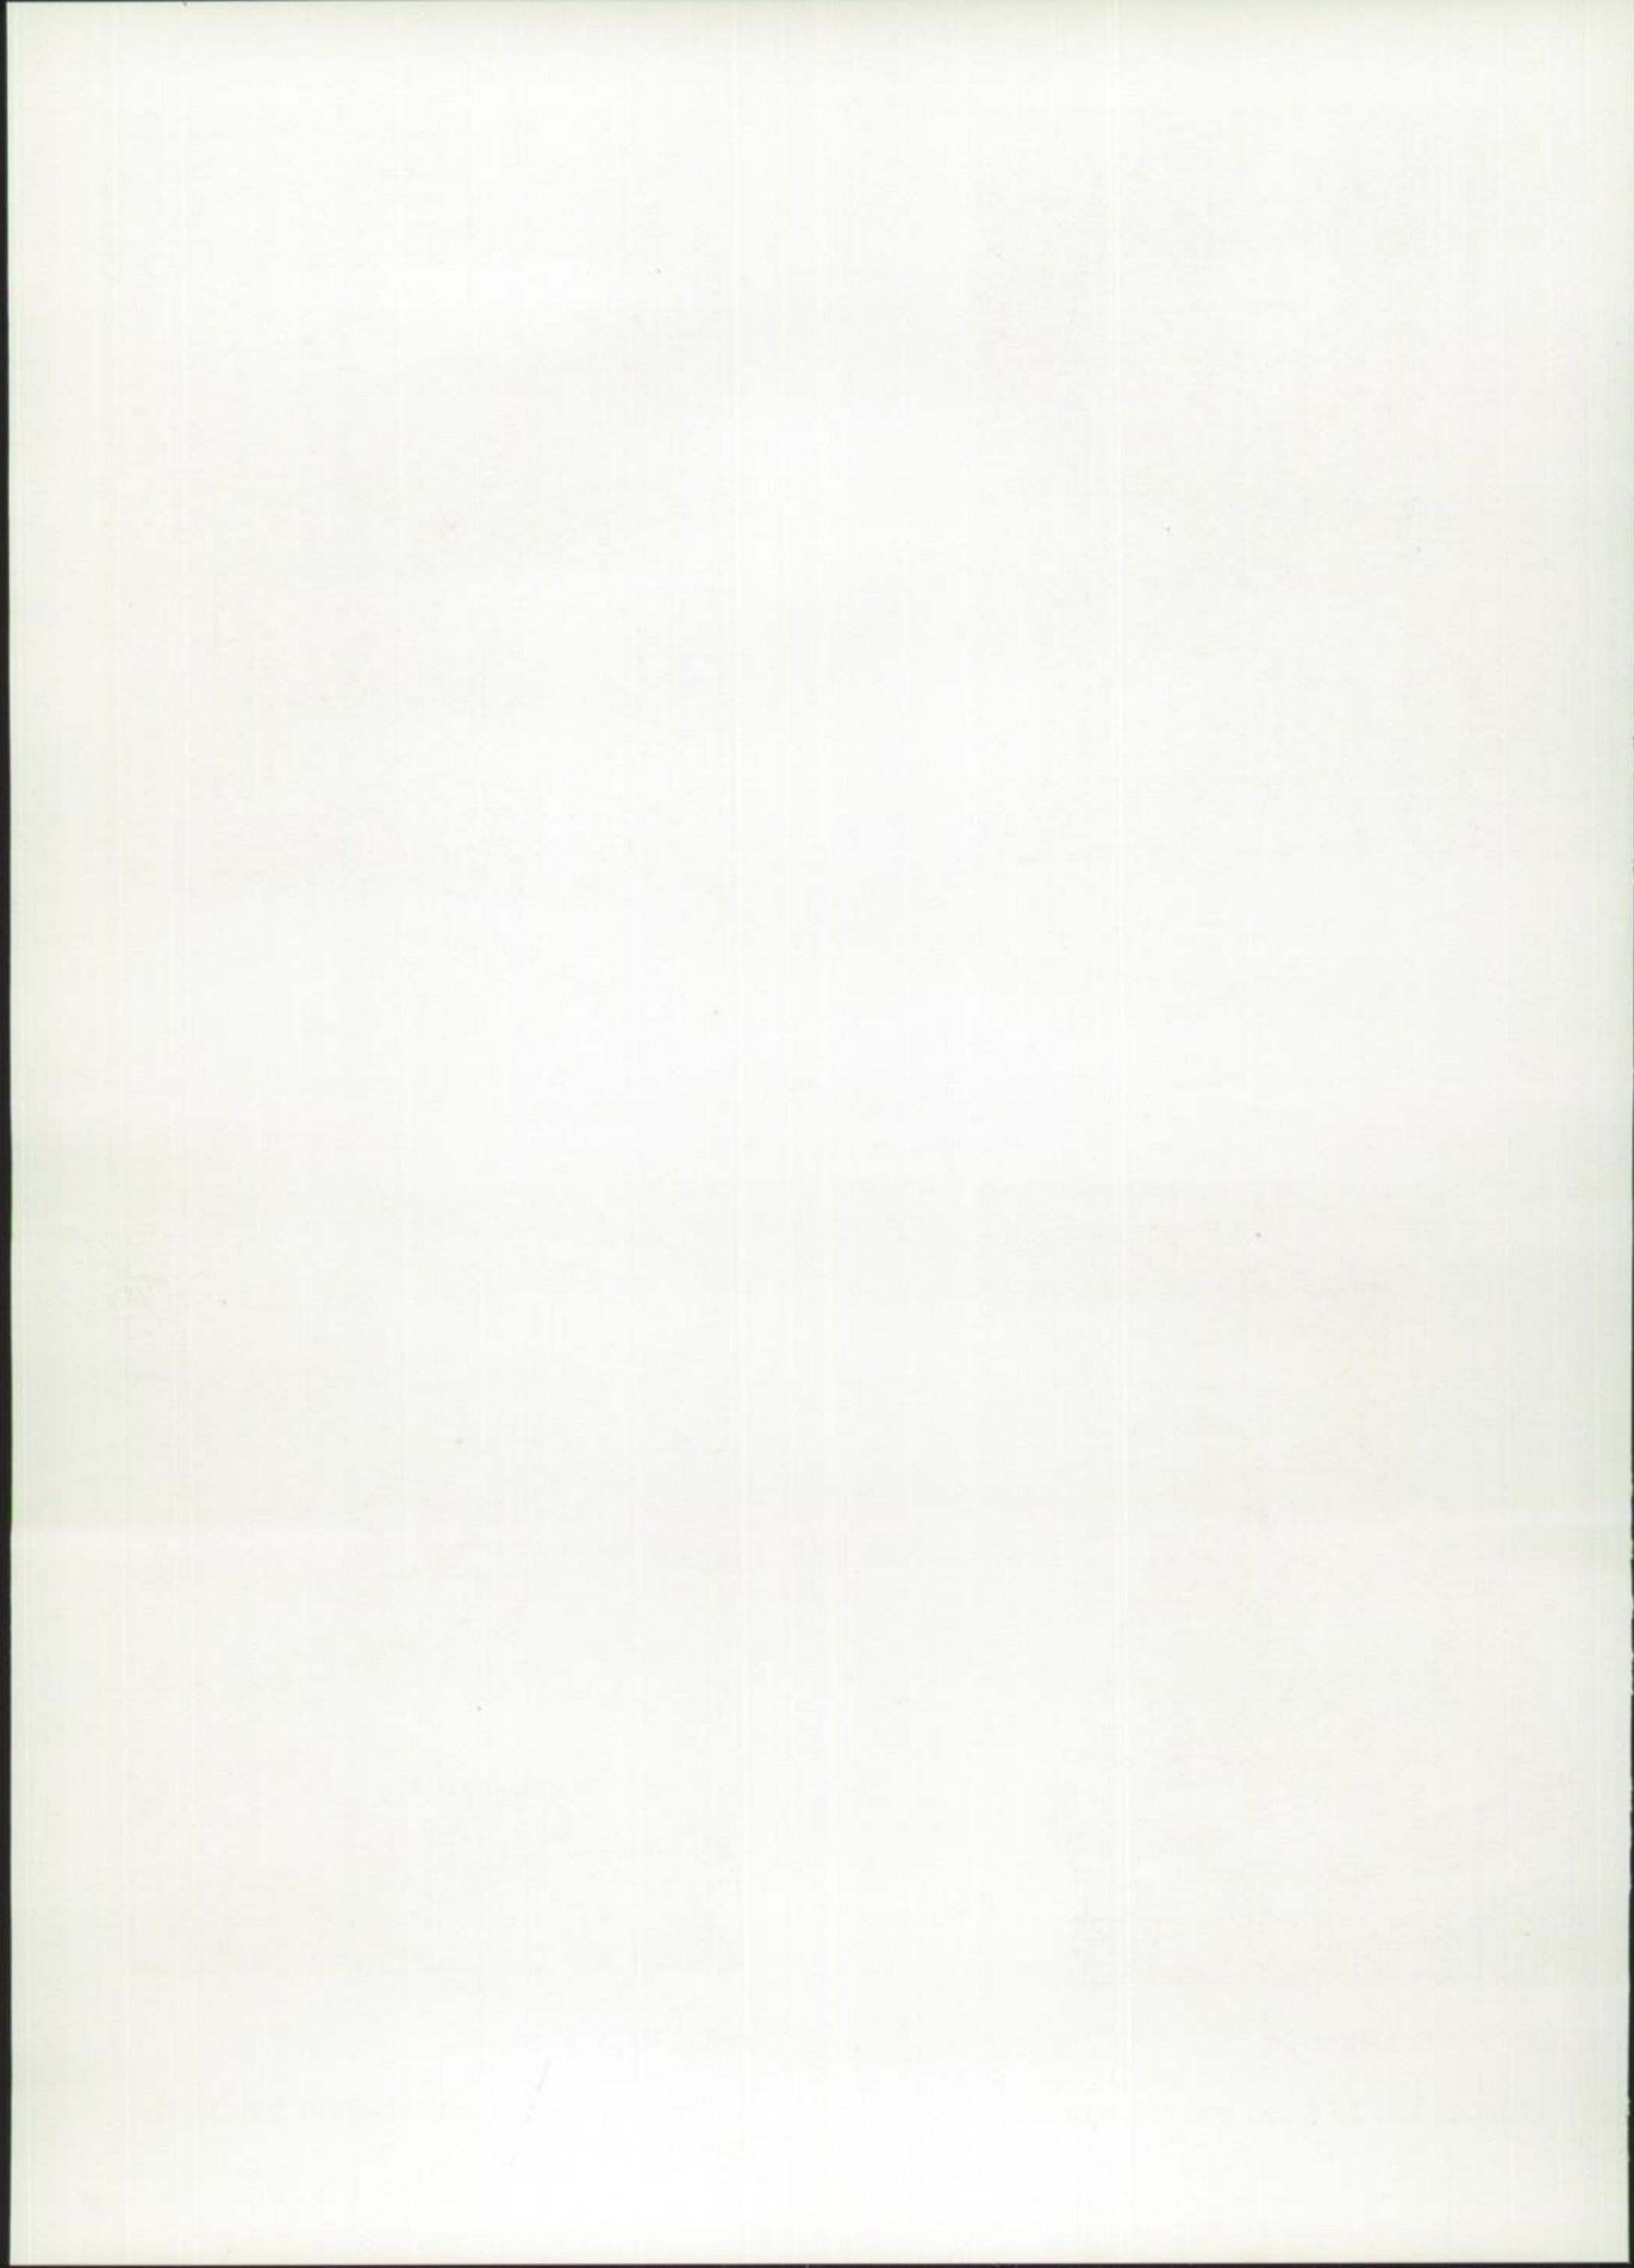

We must admit that we will not soon forget the junior and senior plays, the submarine sales, much less the booth at the county fair.

Thank you Mrs. Lynch and Mr. Welch for your time and help.

Although this year's soccer team did not enjoy as good a season as hoped the competitive spirit, teamwork, and sportsmanship produced an excellent school spirit. The members of the team and school body would like to commend Mr. Evingham for his fine work with the team.

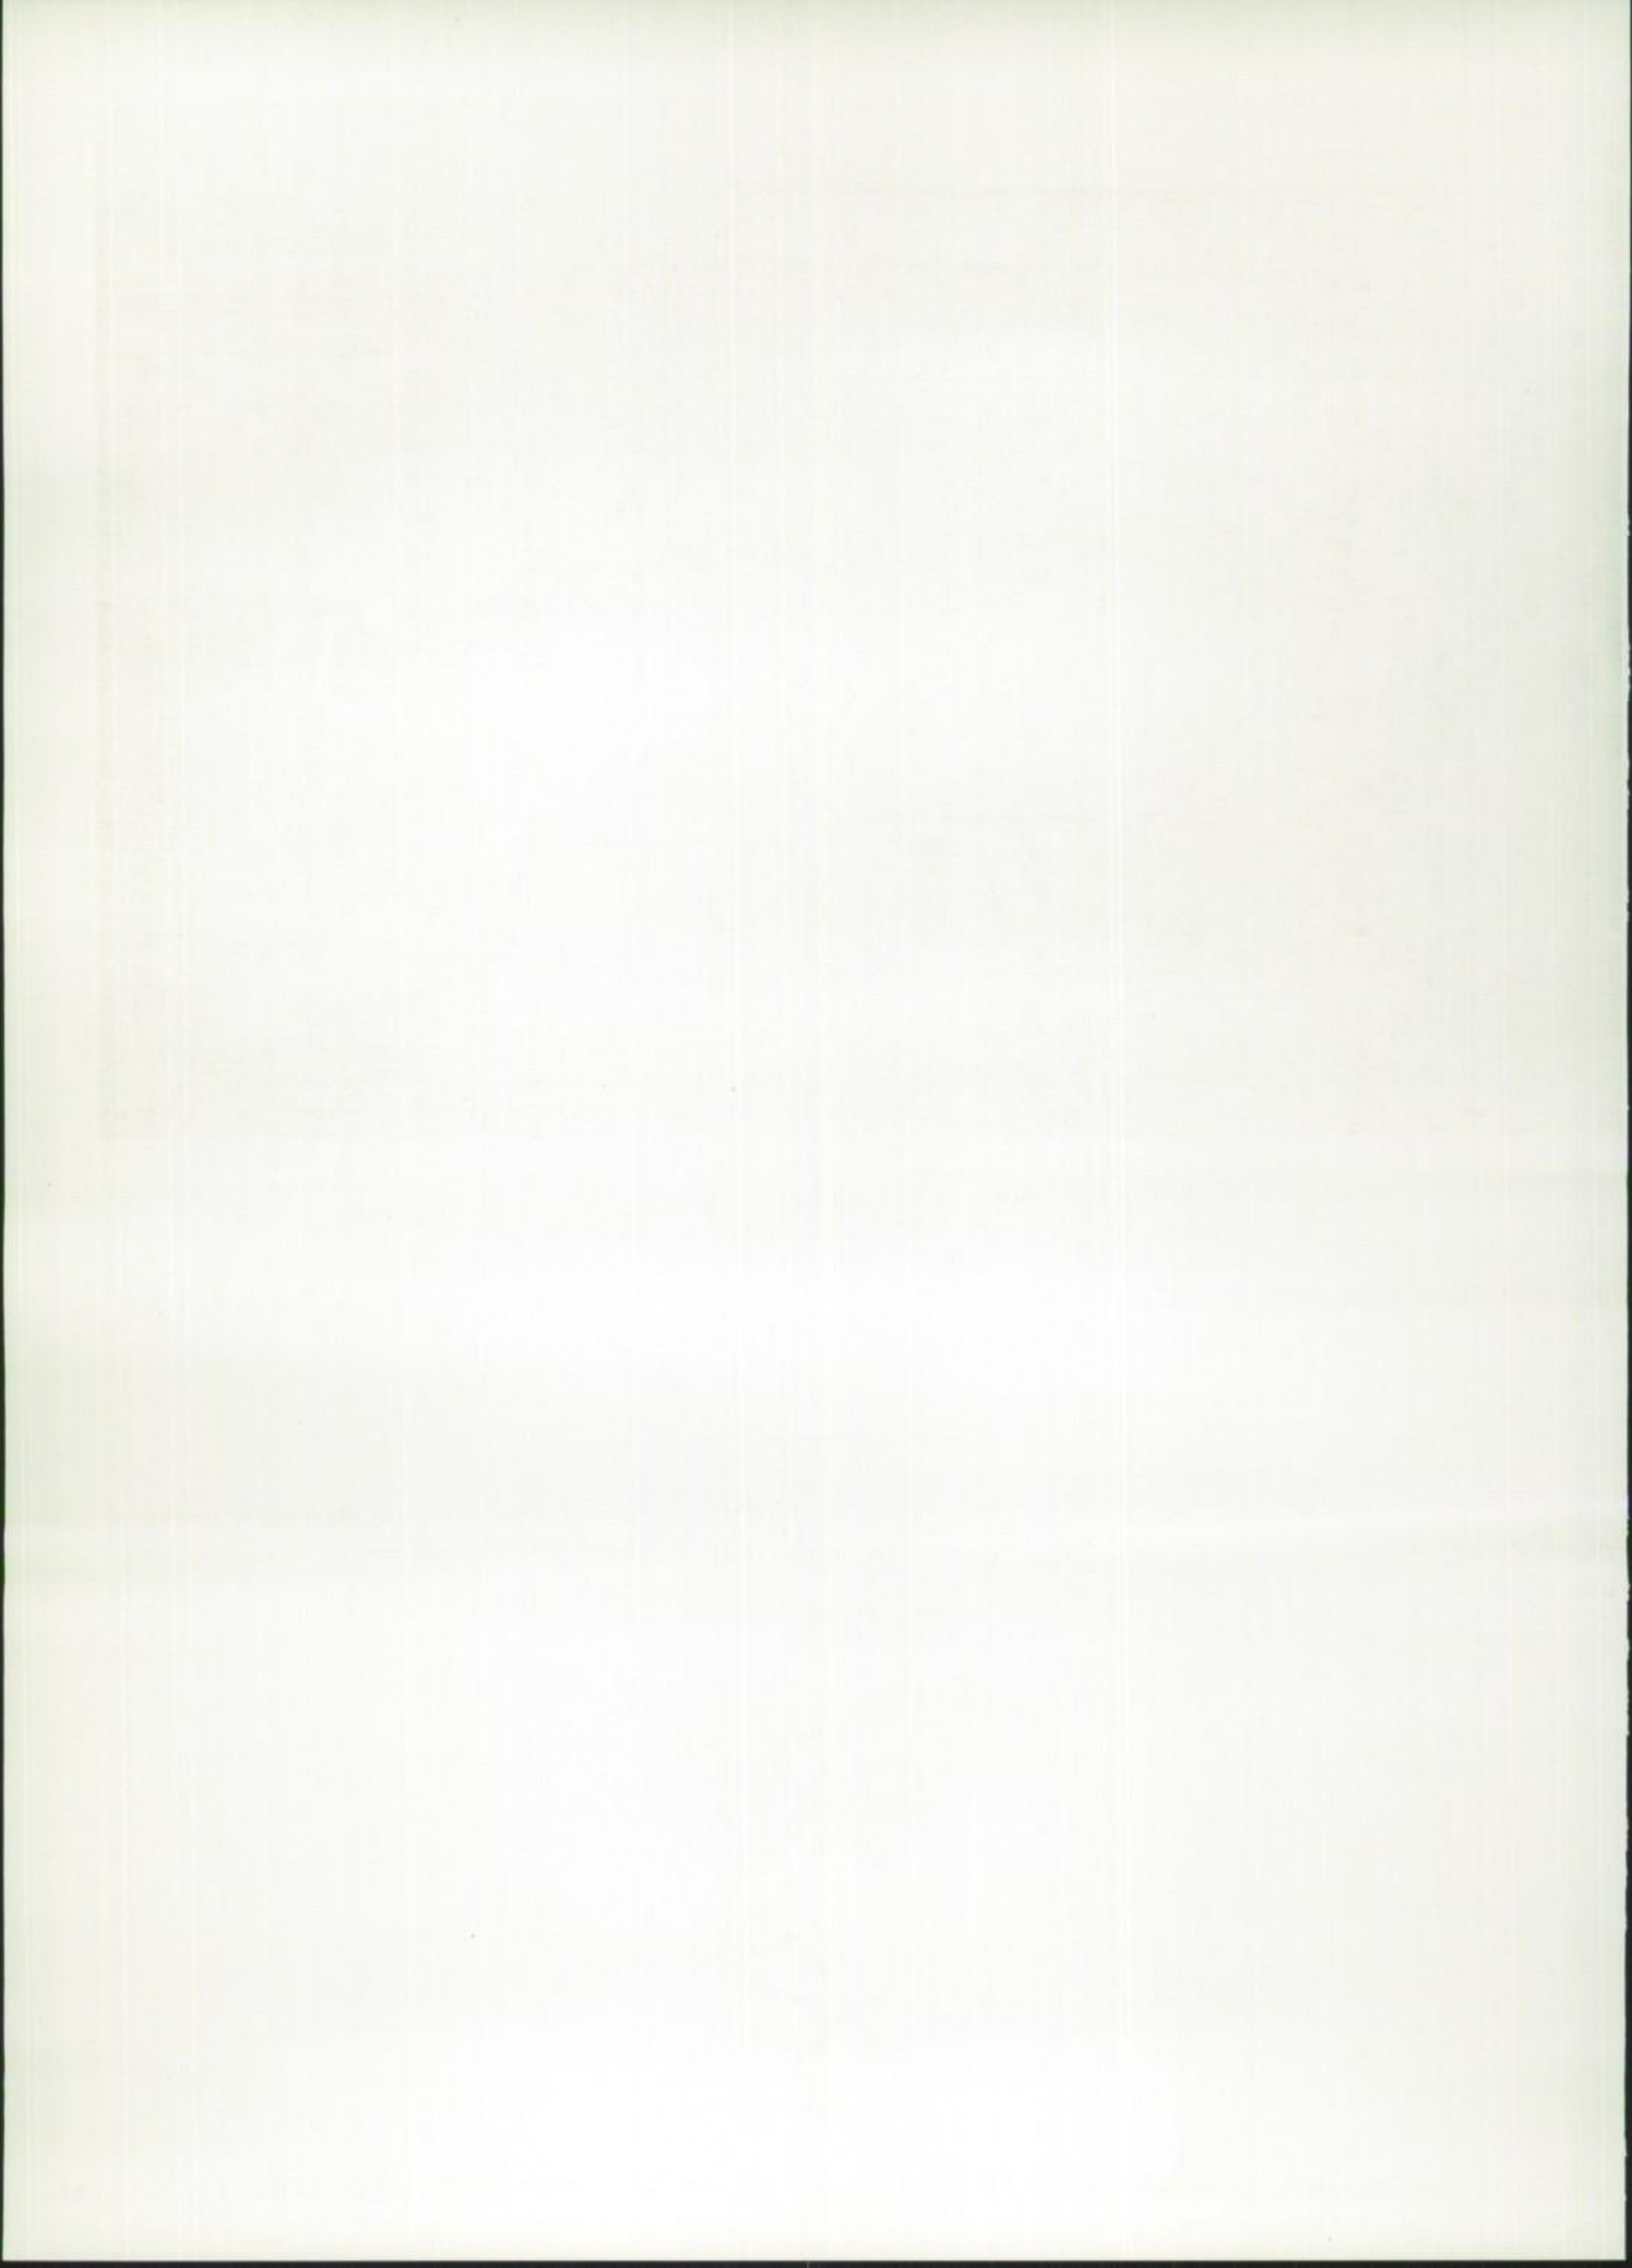

Varsity Basketball Team

Left to Right—D. Moyer, A. Fancher, R. Bennett, T. Dey, T. Collins, Manager, Coach Evingham, G. Olson, Manager, K. Neu-deck, J. Mullen, T. Collins, C. Burdick.

We would like to thank our basketball team for putting forth great efforts this season, even though the scores look a little one-sided. Each player has done his part in using the method of team work, which is much more important than a victory. It is better to have played and lost than not to have played at all.

The student body would like to thank you for great team work and determination. Losing players to the Varsity team in the middle of the season was a hinderance, but with these defeats comes an experience that will spur you on to success in following years.
